

WE'RE HIRING TRUCK OPERATORS

\$1,500 Signing Bonus*

About Us

Are you looking for a place where you are **RESPECTED, VALUED, and REWARDED** for hard work? Then look no more; **come join our Team!**

GFP Mobile Mix Supply is a leader in the region providing concrete utilizing a fleet of nine (9) fully-automated and innovative volumetric concrete mixer trucks. We service DE, MD, NJ, and PA.

GFP prides itself in making sure we provide a work environment for all our employees that is safe, technologically up-to-date, fun, and family-like. Apply Today!

Responsibilities

- Primary responsibility is to assist with loading, driving concrete mixer trucks to job sites, and discharging loads in a variety of different settings and site conditions.
- Maintain the cleanliness of truck and equipment, as well as perform daily pre-trip and post-trip inspections.
- Essential functions of this job are performed in both a shop environment and outside in various weather conditions, including extreme heat and cold.
- Daily essential functions may require climbing ladders, stooping, crouching, standing, and occasionally crawling into confined spaces.

Benefits

- * **\$1,500 Signing Bonus after Six Months of Employment**
- Tuition assistance/reimbursement program for individuals currently enrolled in CDL training or who have recently graduated from an accredited CDL program.
- Paid Time Off (PTO)
- 401(k) with Employer Match
- Health, Dental, Vision, and Life Insurance

Qualifications

- While having experience in concrete work is not necessary, we do prefer experience in a similar job.
- Minimum Class B license required. Class A a plus.
- Flexibility is essential! We are a 24/7 service provider. Position may require varied working hours (early AM to late PM) and the ability to work overtime including nights and weekends as needed.
- Ability to climb into and out of equipment. Lift, carry, and push/pull heavy items and equipment.
- Ability to lift up to 70 lbs.
- Must be able to pass Department of Transportation (DOT) physical.
- Must possess strong work ethic and team player attitude.
- All GFP Operators go through extensive training, must adhere to ALL safety policies, and are required to complete the following:
 - Background checks
 - Drug testing
 - Transportation Workers Identification Credential (TWIC)
 - Safety training including OSHA 30-Hour and Silica Awareness for Construction
 - Volumetric Mixer Operator Certification
