

WE'RE HIRING CONCRETE TRUCK OPERATORS

\$1,500 Signing Bonus*

About Us

Are you looking for a place where you are **RESPECTED**, **VALUED**, and **REWARDED** for hard work? Then look no more; **come join our Team!**

GFP Mobile Mix Supply is a leader in the region providing Volumetric Concrete, serving commercial and residential projects of all sizes in DE, MD, NJ, and PA. We are DelDOT and PennDOT certified and utilize the latest technology and equipment to provide accurate and quality batching of our concrete. **We pride ourselves in providing our customers with the highest in quality materials and service. Join our Team today!**

Responsibilities

- Primary responsibility is to assist with loading, driving concrete mixer trucks to job sites, and discharging loads in a variety of different settings and site conditions.
- Maintain the cleanliness of truck and equipment, as well as perform daily pre-trip inspections.
- Essential functions of this job are performed in both a shop environment and outside in various weather conditions, including extreme heat and cold.
- Daily essential functions may require climbing ladders, stooping, crouching, standing, and occasionally crawling into confined spaces.

Benefits

- * **\$1,500 Signing Bonus after Six Months of Employment**
- Paid Time Off (PTO)
- 401(k) with Employer Match
- Health, Dental, Vision, and Life Insurance
- Employee Assistance Program
- Employee incentive programs

Qualifications

- While having experience in concrete work is not necessary, we do prefer experience in a similar job.
- Minimum Class B license required. Class A a plus.
- Flexibility is essential! We are a 24/7 service provider. Position may require varied working hours (early AM to late PM) and the ability to work overtime including nights and weekends as needed.
- Ability to climb into and out of equipment. Lift, carry, and push/pull heavy items and equipment.
- Ability to lift up to 70 lbs.
- Must be able to pass Department of Transportation (DOT) physical.
- Must possess strong work ethic and team player attitude.
- All GFP Operators go through extensive training, must adhere to ALL safety policies, and are required to complete the following:
 - Background Checks
 - Transportation Workers Identification Credential (TWIC)
 - OSHA 30-Hour Training
 - Silica Awareness for Construction Training
 - Volumetric Mixer Operator Certification
